OF EMERGENCY SERVICES

SITUATION SUMMARY

Closure of I-80 at Nyack Road, Placer County

CalTrans reported that eastbound I-80 was closed for approximately 3 hours on 2/28/15 due to multiple vehicle spinouts on the roadway. CalTrans advised that the roadway is a lifeline route and there were no detours in place. Big rig trucks are not permitted on surface streets in that area. Cal OES Duty Officers and the CSWC continue to monitor.

Weather of Concern

- A cold low pressure system moving into California through Monday could bring snow to elevations as low as 4500 feet which could affect travel through the mountains and passes of San Diego, Riverside and San Bernardino Counties.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

WEATHER

WEATHER SYNOPSIS BY REGION:

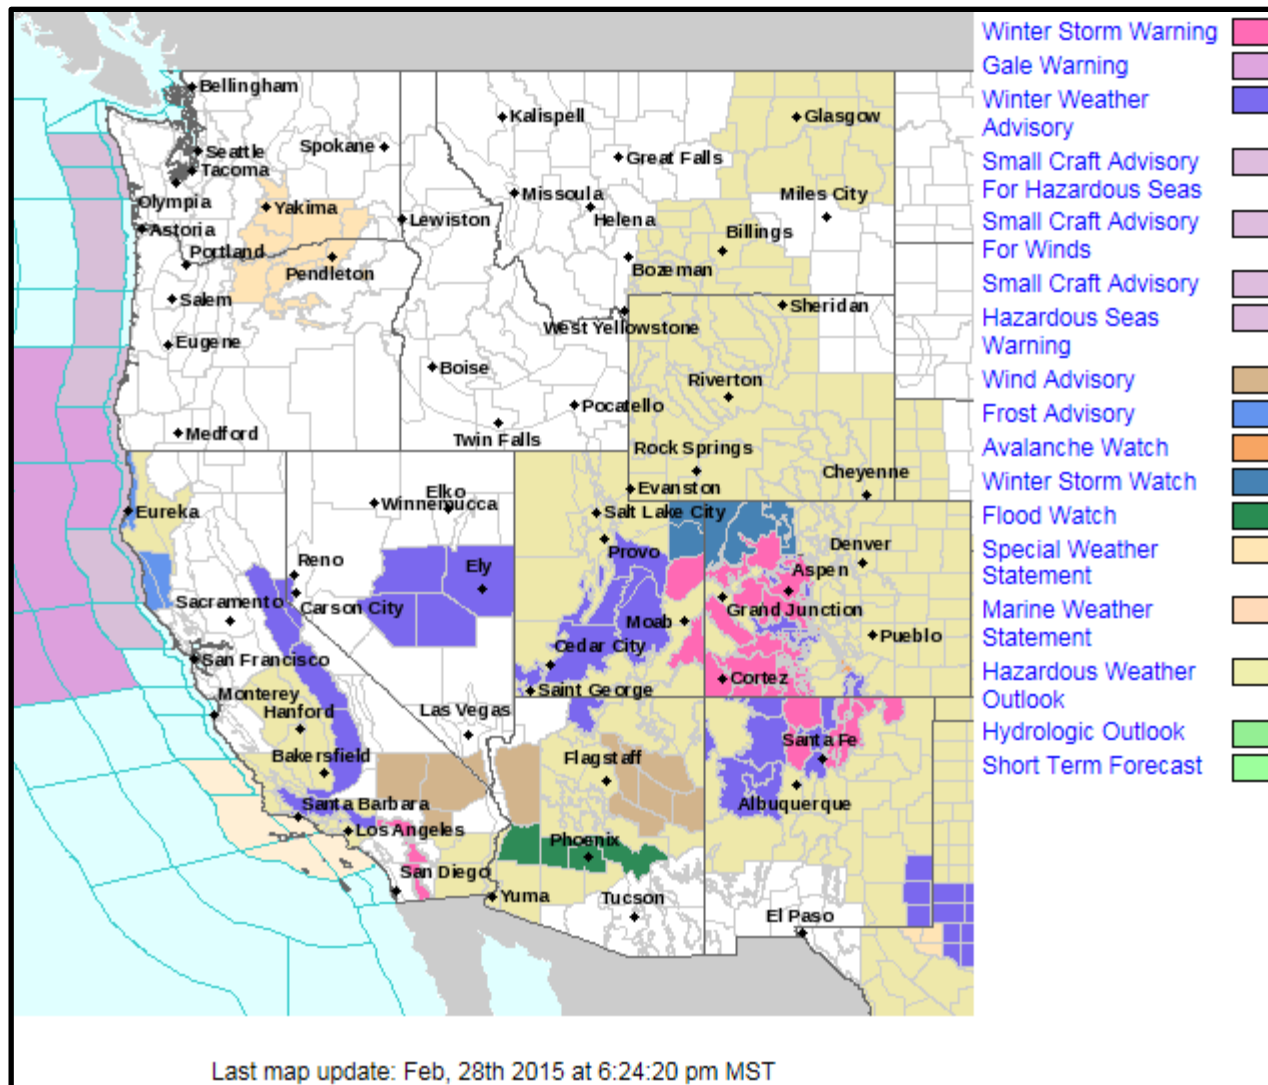

NORTHERN CALIFORNIA

A cool system will continue over the area today with potential for afternoon thunderstorms mainly over the valley and foothills. Snow levels will lower to around 3500 feet this morning or early afternoon. A break in the wet weather will occur Sunday afternoon into Monday morning with breezy north to northeast winds tonight and Sunday. A second wave of light precipitation is possible Monday. Dry and warm by Wednesday.

SOUTHERN CALIFORNIA

A low pressure system from the north will bring cooler weather with periods of showers into Monday night and will decrease Tuesday. There will be strong gusty west winds in the mountains and deserts this afternoon. Dry with a warming trend for Wednesday into next weekend with periods of locally gusty northeast winds possible for Thursday into next weekend.

RECOVERY ACTIVITIES

Round Fire, Inyo and Mono Counties

- Recovery Individual Assistance continues to work with Mono County on the Initial Damage Estimate.
- The American Red Cross and Salvation Army continue to offer their support services.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, and Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate a biweekly state interagency conference call regarding drought community impacts.
- Regional (Inland, Coastal, Southern) conference calls will occur once a month beginning 02/09/15.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
